

Pool Party Rules

Updated 5/1/2022

1. Parties may be cancelled by either the pool manager or renter due to **inclement weather** (only on the day of the party). If this occurs, an attempt will be made to reschedule the party for another open date. If a suitable date cannot be found, the renter will receive a full refund. Other cancellations must be made in person in the presence of a manager with a **minimum of two weeks'** notice and with the renter's copy of the contract. If you fail to cancel on time, you will be responsible for the full balance of the party.
2. The full balance will be paid upfront when booking party.
3. Parties may be cancelled or denied by the pool manager or the park director if the renter has been found in violation of any park district rules or the party is deemed inappropriate in nature.
4. Groups larger than 75 guests will be required to pay a \$25 fee to employ a 3rd lifeguard for their party. Groups with less than 75 guests may also require a 3rd guard at the discretion of the manager (i.e. 60 small children with no adults in the water). Please discuss your party with the manager to determine if you need to pay for a 3rd guard. A \$50 fee will be issued to the renter if a guard has to be called in on the evening of the party.
5. Weekend parties must exit quickly to avoid crossover with the next party.
6. No rentals may charge an admission fee into their party.
7. Party patrons may not enter the pool until the time of their booking. The renter must be present before guests are permitted to enter.
8. **No food will be allowed for parties.** Instead we will reserve a complimentary shelter with your pool rental.
9. **Alcohol and marijuana are strictly prohibited on park property.** Violation by the renter or any guest will result in the immediate termination of the party with no refund
